Report of Principal and School Improvement Council

The 2013-14 school year at Ladson Elementary proved to be another successful year of learning. We continue to place academics and student achievement as priorities as we focus on teaching Common Core Standards while preparing students to become successful citizens equipped to positively contribute to our community in the future. Our school provides a safe and nurturing environment including Head Start classes through 5th grade. By promoting character development through regularly scheduled guidance classes and implementation of our award-winning PBIS system that includes anti-bullying efforts, parents are ensured that students are safe while at school.

We continue to implement new initiatives to enhance academic performance and create a culture of success in our school. This year we continued our participation with the Engaging Creative Minds model in third, fourth and fifth grades. Students were exposed to various artists and forms of art to enhance grade level curriculums. Our focus this year will include teaching students to think critically and to become personally responsible for their own learning. Our district's continued focus on literacy provided our school with two First Grade Academy Master Teachers who support the reading progress of eligible first graders. The program will continue to be extended to eligible students in Kindergarten, Second and Third Grades in order to provide literacy support. Students are offered extended learning time through after-school tutoring. Our school provides involvement opportunities for our students in a gardening club, a recycling team, the Robotics Team, a school-wide chorus, the morning news team, a 100 mile club and Student Council. Our school includes an outdoor learning space that reinforces our effort to connect students to healthy living choices and learning to appreciate our Green Efforts to protect the environment.

Teams of teachers and our Literacy Coach meet regularly to map curriculum and analyze student performance data to extend student learning and create differentiated lessons that are challenging for every student. Fall to Spring MAP (Measures of Academic Performance) continue to demonstrate significant growth in Reading and Math. Teachers confer with students to set goals, discuss strengths and weaknesses and reinforce strategies so they can continue demonstrating their best ability.

We engage our families and school community in the education process every chance we get through an annual Meet the Teacher/Open house, Monthly School Newsletters, PTA meetings, Family reading and math nights and wellness seminars. With the leadership and support of our Parent Advocate, parents are linked with community resources and volunteer opportunities within the school. Parents are offered computer classes throughout the school year. We look forward to establishing new alliances with business partners and volunteers. We welcome partnerships with Community members such as the local colleges, local and international businesses, and athletic associations.

At Ladson we believe that it is our charge to develop every aspect of a student to compete in today's society. We will continue to focus on providing a safe, challenging and caring learning environment where academic excellence is expected every day.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	83.8
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Ladson Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
X	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
